### Notice of No Sales

Under 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the POR. If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the POR, it should notify the Department within 30 days of publication of this notice in the Federal Register. The Department will consider rescinding the review only if the producer or exporter, as appropriate, submits a properly filed and timely statement certifying that it had no exports, sales, or entries of subject merchandise during the POR. All submissions must be made in accordance with 19 CFR 351.303 and are subject to verification in accordance with section 782(i) of the Act. Six copies of the submission should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on every party on the Department's service list.

### Respondent Selection

Section 777A(c)(1) of the Act directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise because of the large number of such companies, section 777A(c)(2) of the Act permits the Department to limit its examination to either: (1) a sample of exporters, producers or types of products that is statistically valid based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of subject merchandise from the exporting country that can be reasonably examined. Due to the large number of firms requested for these

administrative reviews and the resulting administrative burden to review each company for which a request has been made, the Department is exercising its authority to limit the number of respondents selected for review. See section 777A(c)(2) of the Act. In selecting the respondents for individual review, the Department intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the POR.

We intend to release the CBP data under administrative protective order (APO) to all parties having an APO within five days of publication of this Federal Register notice, and to make our decisions regarding respondent selection within 20 days of publication of this notice. The Department invites comments regarding the CBP data and respondent selection within 10 days of publication of this Federal Register notice.

Interested parties must submit applications for disclosure under APO in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's website at <http://ia.ita.doc.gov/apo>.

This initiation and notice are in accordance with section 751(a)(1) of the Act and 19 CFR 351.221(c)(1)(i).
